

A PATH TO CREATE NEW OPPORTUNITIES!

1) RESTART Toolkit (Refugees' SkillsAssessment Toolkit) will allow a better assessment of the formal, non-formal and informal competences of the refugee/asylum seeker

2) The courses for "Social Enterprise Manager" and "Migrant Service Provider" will guarantee a formation cut to measure for the individual

3) Laboratory activities will provide new skills that can be used in the labor market

REVALUE

PROJECT

Funded through Erasmus + funds from INAPP, the REVALUE project "Refugees Empowerment through VET in an Inclusive Europe" is a new project coordinated by ERIFO, which directly involves 5 European countries: Italy, France, UK, Hungary and Germany. It will last 36 months, from September 2016 to September 2019.

GOAL

REVALUE proposes a new method for recognizing the formal, non-formal and informal skills of refugees and asylum seekers looking for new opportunities to build their working career in the host Country. Through a series of manuals and guidelines made available on the Revalue website it will be possible to support the acquisition of new skills that will facilitate the integration process

TARGET GROUP

REVALUE is aimed at refugees and asylum seekers interested in finding new job opportunities within the country of arrival; to organizations that provide support to migrants; advice and employment centres; institutions providing vocational training.
